# ITALY MEETS KOREA

## Business meeting 14th april 2026 | 10:00 -17:00 Starhotels Business Palace, Via Privata Pietro Gaggia, 3, Milano

The Ulsan Regional Office of the Korea International Trade Association (KITA) is collaborating with ANIMA Confindustria to organise an international B2B meeting. The event will feature a delegation of South Korean companies from the city of Ulsan.

The Starhotels Business Palace in Milan will play host to a delegation of Korean SMEs specialising in industrial technologies, the automotive sector, eco-friendly solutions, engineering and industrial equipment.

The objective of the event is to facilitate the establishment of business relationships between Italian and Korean companies through personalised one-to-one meetings. These meetings will provide direct contact with technologically advanced companies and opportunities for collaboration in the industrial and automotive sectors.
