Our 4 drivers to support the growth

Proximity and support to companies

- **Dedicated teams** located over the whole Country providing the companies with a **holistic support**
- Strengthened **presence in areas with greater potential**

Digitalization and simplification

- Products and services available on the platform **www.sacesimest.it**
- Increase of **online transactions**
- Less contractual documentation

Promotion and Business Matching

- **New opportunities** for Italian companies, to increase the chances of expanding their business
- Priority **access to projects** and key representatives of **large foreign Buyers**

Education and Export Culture

- Promotion of a **safe export culture** among Italian companies
- **4 different export kits** based on the experience
- Partnerships with qualified institutional entities (ICE, Confindustria, Ispi etc.)

Our Network

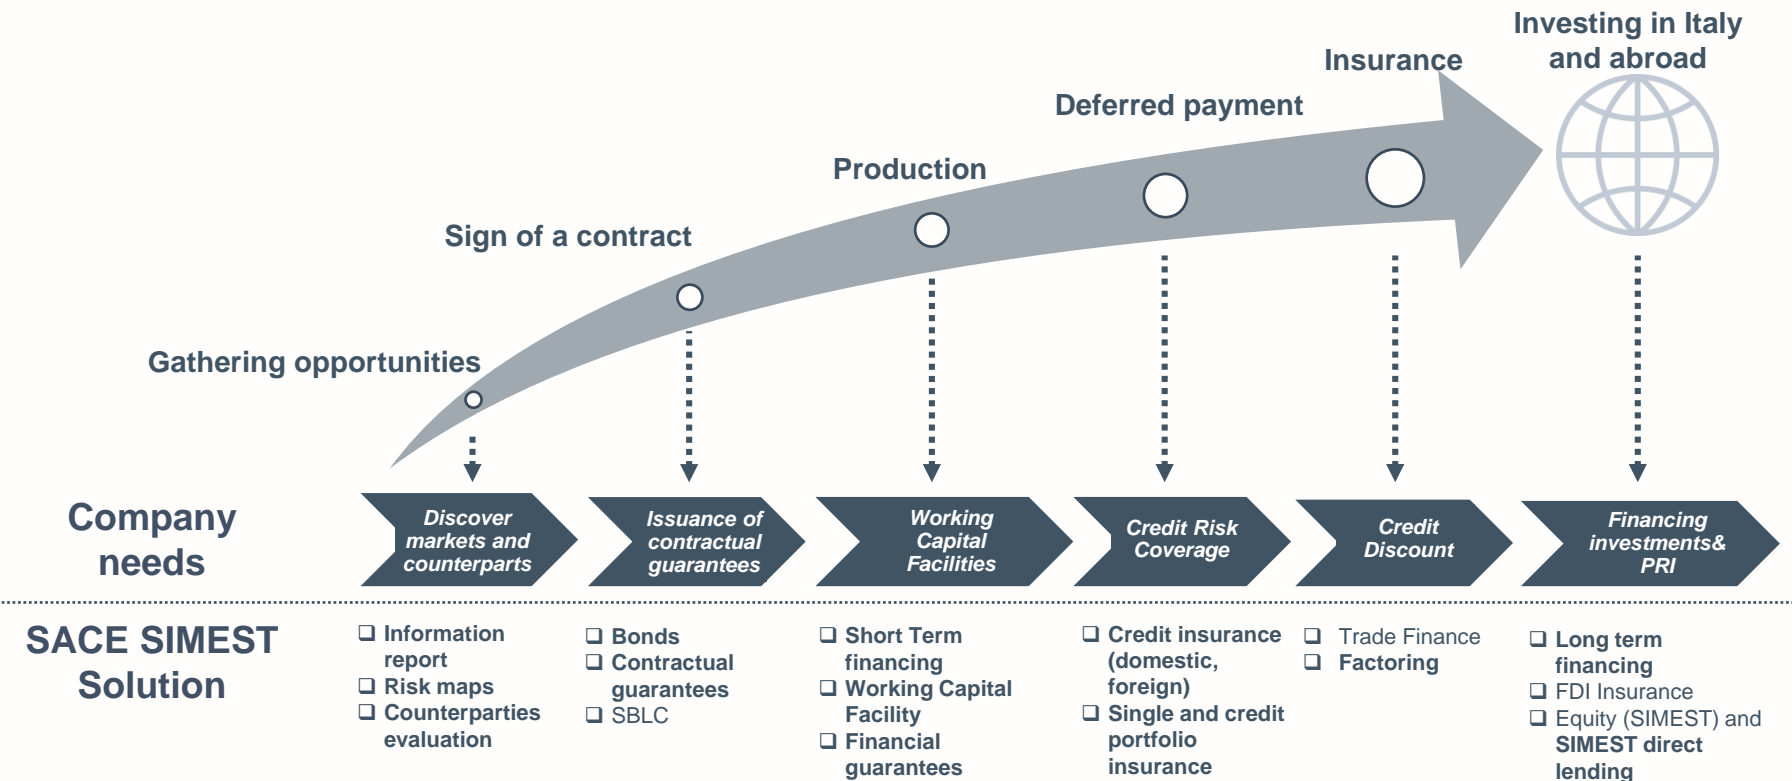

DOMESTIC NETWORK

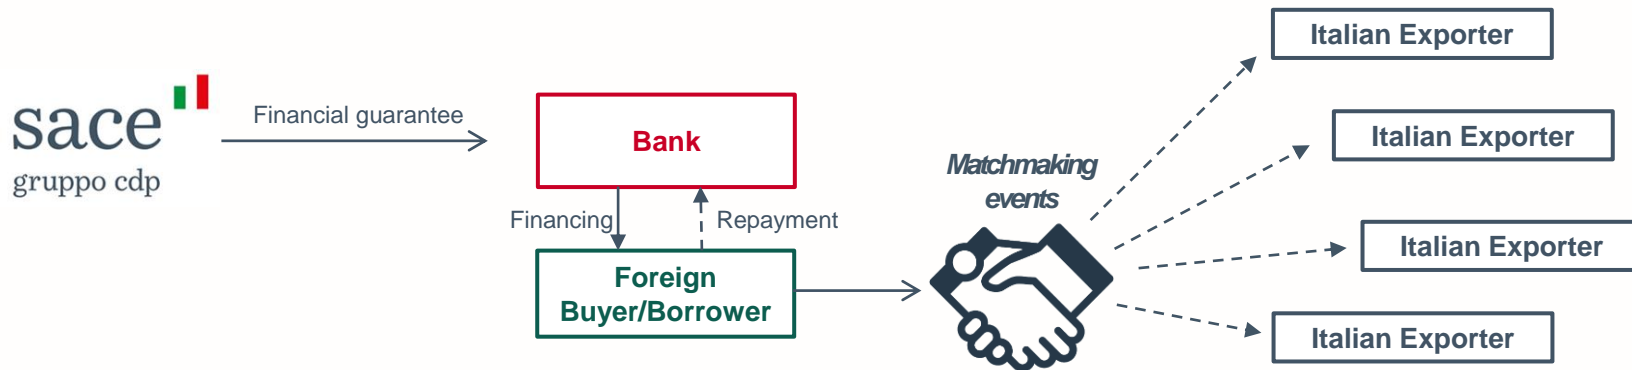

INTERNATIONAL NETWORK

Our products to support export and internationalization projects

Our Push Strategy facilitates business between International Buyers and SMEs

HOW IT WORKS

MLT financing granted by Italian, International and/or local bank under a SACE guarantee up to 80%. Finance under the Push Strategy will be **untied**, and thus not linked to specific contracts

BENEFITS

For the Buyers:

- Diversification of financial sources at market rates and credit lines available in the banking system;
- Find new suppliers providing extraordinary products and technologies

For Italian SMEs:

- Seize new business opportunities with Foreign Buyers
- Privileged contact with the Buyer's procurement managers

MATCHMAKING EVENTS

- Business matching events organized by SACE in Italy, abroad and online are aimed at facilitating the dialogue between the Buyers and the Italian SMEs, with the purpose of increasing the trade from Italy

Our support to the SMEs in the packaging sector
