Political Risk Insurance – Investment Policy

OVERVIEW

SACE's Investment Policy mitigates political risks affecting Investments abroad of Italian companies. This product is dedicated to companies investing in countries having a high business potential, but are exposed to various types of political risks.

COURSE OBJECTIVES

To provide participants with a clear understanding of the product functioning. In particular, this module intends to present the different kinds of eligible investments and the particular risks covered by the Policy. Special attention will also be dedicated to the Risk Assessment and Due Diligence process, in order to fully meet underwriters' needs and expectations. Finally, this course provides relevant guidelines on pricing, as well as an analysis of the main clauses of the Insurance Policy.

Real case-studies, business insights and best-practices will complement theoretical presentations in order to ensure the most practical and interactive approach and to support the prompt implementation or enhancement of the product right after the training.

TUITION

Tuition will be provided by highly qualified professionals, with proven experience and comprehensive knowledge of the relevant fields. The course may be customized to meet the real needs of participants.

LOCATION

Upon request, at client's premises or in SACE's Rome office. In special circumstances, this course can be held virtually, by means of videoconferencing software.
